

Dance Final Exam Project

Students will review the elements of dance in order to compose a movement phrase inspired by text: quote, image, music.

Create a 2-3 minute dance based on an emoji conversation.

EMOJI DANCE CONVERSATION

- Create a 2-3 minute dance based on an emoji conversation.
 - As a solo, duet, or small group you will compose a 2-3 minute dance using emoji language.
 - Your job is to be as creative as possible when choosing your emojis and placing them in an order that makes sense in movement.
 - While there is no maximum amount of emojis to be used, there is a minimum amount of 10.
 - Remember you are using your emojis as inspiration for movement.
- For your final exam performance you will show (it can be typed or you can show a screenshot) your emoji story or conversation in a presentation, printed or drawn. Be creative!
- You will then perform your “Emoji Conversation Dance” for the class. You are able to use any CLEAN and APPROPRIATE music
